From the Principal’s desk
Dear Parents, Carers and Hill Top Community members,

Thank you for being supportive of the school in the past week and half as we have begun using the hall for the morning assemblies again as the weather has cooled somewhat. Mr Farrell and I have spoken about how to fix the roller door. I trust that by term’s end, we can have this issue resolved.

Now, with a very hectic week and a half ahead of us before the end of term, I would also like to remind children of the importance of getting enough sleep. We are seeing many tired children each day and as each day passes, there are some very red eyes to be seen in most classes. Whilst it has been a long term so far, we still have many fun things to look forward to before the break.

After yesterday’s great Cross Country Carnival, we still have coming up; an Easter Hat Parade, the ANZAC Service, the End of Term Disco, the End of Term Assembly and maybe a visit from a hopping friend. I know that every student wants to be involved in every one of these fun events at school. I know also that well rested students will be able to be better able to enjoy all these events in a respectful, responsible and cooperative way.

Looking forward to talking to as many of you as I can get to meet in the coming days.

Yours sincerely,
Mark Gardiner
